

Plastique Fantastique communiqué:

THERE IS NOT AND NEVER HAS BEEN ANYTHING TO UNDERSTAND!

Plastique Fantastique is for Skizz-cretion!

What is Skizz-cretion?

Skizz-cretion is a transmission that interferes with the processing of stimuli by the nervous system.

Skizz-cretion is both under and over loaded.

Skizz-cretion is a secretion that burns-the-ear-and-splits-the-eye.

Skizz-cretion forms strata - layer by layer, an accretion that is neither transparent nor opaque but vibrating.

Skizz-cretion produces a mass that is dense rather than complex, dark and crystalline rather than a rich source of information.

Skizz-cretion is always a surplus.

Skizz-cretion is a store of energy.

Skizz-cretion is an oscillation in one place rather than a movement from A to B.

Skizz-cretion dis-organises and dis-orientates.

Skizz-cretion is noise.

Plastique Fantastique is for noise.

Plastique Fantastique is for the rhythms and genres to come.

THERE IS NOT AND NEVER HAS BEEN ANYTHING TO UNDERSTAND!
